

2026 International Conference on Advancements in Bamboo and Timber Industry (ABTI2026)
5th International Conference on Sustainable Structures and Materials (SUSM5)
7th World Symposium on Sustainable Bio-composite Materials and Structures (SBMS7)
7th International Conference on Advances in Civil Engineering and Materials (ACEM7)

2026 年竹/木产业高质量发展国际会议
第五届可持续结构与材料国际会议
第七届可持续发展生物质复合材料与结构国际会议
第七届土木工程与材料进展国际会议

Nov. 13th-15th, 2026 Nanjing, China
2026 年 11 月 13 日至 15 日 中国·南京

会议介绍 Introduction

Bamboo and timber industry promises to be a green and sustainable industry to ensure low carbon future for the construction sector. With the overarching aim of supporting carbon neutrality strategy, the International Conference on Advancements in Bamboo and Timber Industry (ABTI) will promote new concepts of carbon-positive development and will explore opportunities of replacing plastic with bamboo. Underpinned by the strategic needs of innovation-driven development, ABTI aims to enhance the technical exchange in the bamboo and timber industry, strengthen the international exchanges and industry-university research collaborations to transform and advance the bamboo and timber industry to develop high-value products to meet future needs of the construction industry.

With the continuing depletion of mineral resources and the alarming deterioration of the environment due to construction activities, the concept of sustainable development has become one of the major considerations around the world. This has led research from across the globe to pay more attention towards the sustainable development of materials and structures. To complement this research need, the International Conference on Sustainable Structures (ICSUST) was launched by the International Journal of Sustainable Structures (SUST), Nanjing Forestry University, University of Naples Federico II (UNINA), US NSF Center for Integration of Composites into Infrastructure, University College London (UCL), Deakin University, West Virginia University and so on in 2022. The conference name has been changed into the International Conference on Sustainable Structures and Materials (SUSM) from 2025 with the born of a new journal named Sustainable Engineering Materials (SUEM). The aim of this International Conference is to provide a platform for academic exchange, to promote the research of green, low-carbon and sustainable development

of materials and structures, and to serve the construction of a better home for mankind. Welcome experts, scholars, engineers, technicians and entrepreneurs from all around the world!

World Symposium on Sustainable Bio-composite Materials and Structures (SBMS) and International Conference on Advances in Civil Engineering and Materials (ACEM) resulted from collaboration between many reputed institutions including Nanjing Forestry University (China), Deakin University (Australia), University of Naples Federico II (Italy), International Bamboo and Rattan Organisation (INBAR). The aim of the conference is to provide an interactive platform for experts, scholars, engineers, technicians and entrepreneurs engaged in related research to understand the academic development trends, broaden research ideas, enhance friendship, strengthen exchanges and collaboration, and promote the transformation of scientific research achievements.

No conference proceedings will be published as part of this event but high-quality papers will be considered for possible publication in *Sustainable Structures* (ESCI, Scopus, DOAJ and so on), *Sustainable Engineering Materials*, *Journal of Bioresources and Bioproducts* (SCI, EI, Scopus and so on), *Nanotechnology Reviews* (SCI), *Journal of Renewable Materials* (EI, Scopus and so on) and *Journal of Forestry Engineering* (CSCD). Registered participants will receive the latest published journals for SUST and SUEM.

竹木产业为绿色产业、朝阳产业、健康产业、富民产业。“双碳”战略背景下，竹木产业高质量发展国际会议立足绿色新发展理念，抢抓“以竹代塑”机遇，以创新驱动发展战略需求为导向，增进竹木产业行业技术交流，加强国际交流及产学研合作，推进竹木产业发展转型升级，促进竹木产业高质量发展。

随着地球矿产资源的日益减少、环境的日益恶化，可持续发展理念已逐步成为世界各国的共识；越来越多的学者开始关注材料及结构的可持续发展。2022年，可持续结构国际会议由国际期刊《Sustainable Structures》(SUST)联合南京林业大学、澳大利亚迪肯大学、意大利那不勒斯费里德里克二世大学、美国国家科学基金会基础设施领域复合材料协同创新中心、英国伦敦大学学院等机构发起。2025年国际期刊《Sustainable Engineering Materials》(SUEM)正式创刊，会议名字改为可持续结构与材料国际会议。该会议旨在为研究专家、学者、工程师、技术人员、企业家提供一个学术技术交流平台，促进材料及结构的绿色、低碳、可持续发展研究，服务于人类美好家园的建设！

可持续发展生物质复合材料与结构会议（SBMS）暨土木工程与材料进展国际会议（ACEM）由南京林业大学、澳大利亚 Deakin University、意大利 University of Naples Federico II、国际竹藤组织 INBAR 等机构于 2018 年联合发起；旨在为国内外从事相关研究的专家学者、工程技术人员、企业家提供一个共享科研成果和前沿技术，了解学术发展趋势，拓宽研究思路，增进友谊，加强交流与合作，促进科研成果转化的平台。

本次会议不出版论文集，但可以推荐报告相关优秀论文在《Sustainable Structures》(ESCI、Scopus、DOAJ 等收录)、《Sustainable Engineering Materials》、《Nanotechnology Reviews》(SCI)、《Journal of Bioresources and Bioproducts》(SCI、EI、Scopus 等收录)、《Journal of Renewable Materials》(EI、Scopus 等收录)或《林业工程学报》(CSCD)上发表。注册参会者将会有 SUST、SUEM 期刊赠送。

会议主题 Main themes

- Bamboo Industry 竹产业
- Bamboo materials 竹材
- Bamboo structures 竹结构
- Wood Industry 木产业
- Wood materials 木材
- Timber structures 木结构
- Straw 秸秆
- Other bio-based materials and structures 其他生物质复合材料与结构
- Steel structures 钢结构
- Masonry structures 砌体结构
- Concrete structures 混凝土结构
- Composite structures 复合材料结构/组合结构
- Sustainable design and operation 可持续设计
- Sustainable construction 可持续建设
- Sustainable structural materials 可持续结构材料
- Underground structures 地下空间结构
- Earthquake resistance, disaster prevention and mitigation of engineering structures
工程结构抗震与防灾减灾
- other related topics 其他相关主题

活动地点及方式 Conference venue

中国南京市玄武区龙蟠路 159 号南京林业大学 Nanjing Forestry University, Longpan Road 159, Xuanwu, Nanjing, China

线下方式 Onsite meeting

南林大厦，酒店联系人：陈经理，电话：0086 13851656731，报会议名字享受优惠价！

Nanlin Hotel, Ms Chen: 13851656731 (mobile).

You could receive a discount price for booking when mentioning the conference name.

活动时间 Beijing Time

2026 年 11 月 13 日至 15 日

Nov. 13th-15th, 2026

会议主要日程 Timetable

日期 Timetable		安排 Arrangement
11 月 13 日 (星期五) Nov. 13 th , Friday	10:00-22:00	报到、注册 Registration
	19:30-20:00	SUST、SUEM 编委会 Editorial board meeting (including youth editorial board members)
11 月 14 日 (星期六) Nov. 14 th , Saturday	9:00-9:30	开幕式 Opening ceremony
	9:30-9:45	合影 Group photo
	9:45-12:00	大会报告, Report
	12:00-13:20	午餐 Lunch
	14:00-18:30	大会报告 Report
	18:45-21:00	晚宴 Welcome dinner

11月15日(星期日) Nov. 15 th , Sunday	8:20-11:10	分主题学术报告 Academic Report
	11:10-12:00	大会报告、闭幕式 Report, closing ceremony
	下午 Afternoon	自由交流和返程 Free talk time and return

会议联系 Contact

如果有意联合承办或协办本次会议，请和秘书处联系。

If you want to co-organize the conference, please get in touch with the following contacts:

Lily Guo: Lilyguo1202@126.com

Jane Guo: office@sustain-dpl.com

会议邮箱 Conference email: icsust@126.com

郭老师 18848872957

注册 Registration

1、注册(请大家尽早注册，以便安排相关会务工作):

2026年10月1日之前: 1500元人民币/人; 学生(凭学生证) 800元人民币/人。

2026年10月1日之后: 1800元人民币/人; 学生(凭学生证) 1000元人民币/人。

Registration fee (Please finish the registration as soon as possible so that we could arrange the related conference affairs):

Before 1th Oct. 2023: 1500 CHY (215 \$) for common delegates; 800 CHY (115 \$) for students

After 1th Oct. 2023: 1800 CHY (258 \$) for common delegates; 1000 CHY (143 \$) for students

2、参会代表的交通费、住宿费自理，会议不安排接送。

The transportation and accommodation expenses of the delegates shall be covered by themselves. No pickup or drop-off will be arranged.

3、请扫描会议注册二维码注册并缴费。

Registration: Please scan the conference registration QR code to register and pay the fee. Or email your registration request to the following email (icsust@126.com). You will receive a confirmation letter and payment guidance.
